updated trigger turnon curves

Pavel Demine, Christophe Royon, ????

July 21, 2003

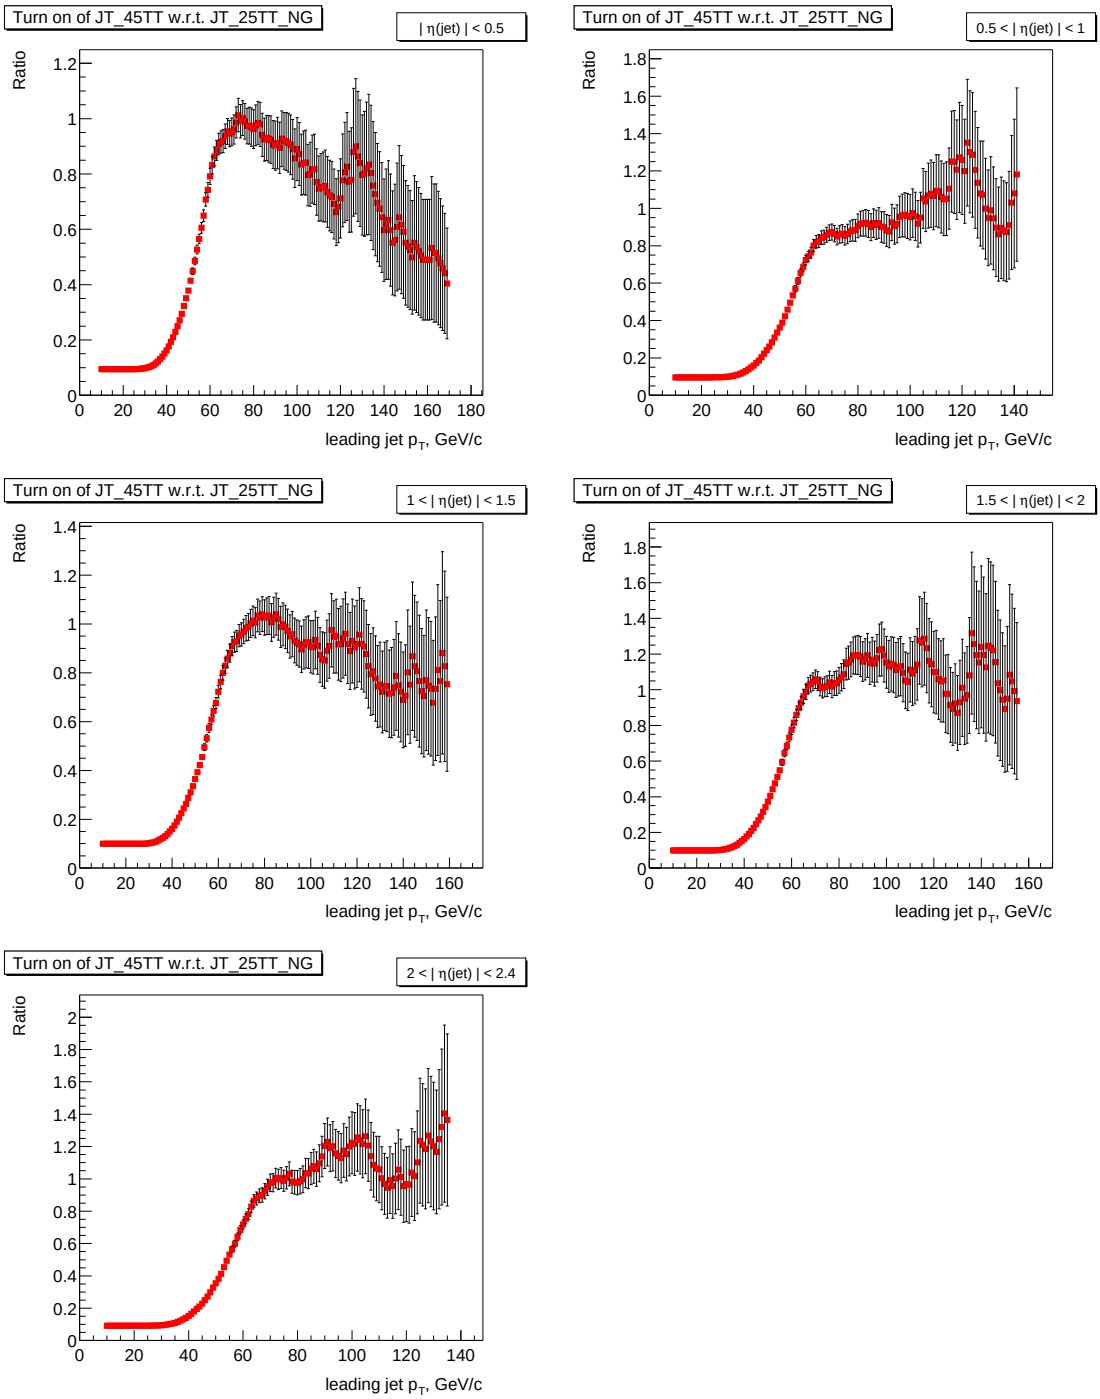

Table 1: Turn-on curves in the different η_{det} bins for JT_45TT trigger with respect to the JT_25TT_NG trigger. For trigger list v8.

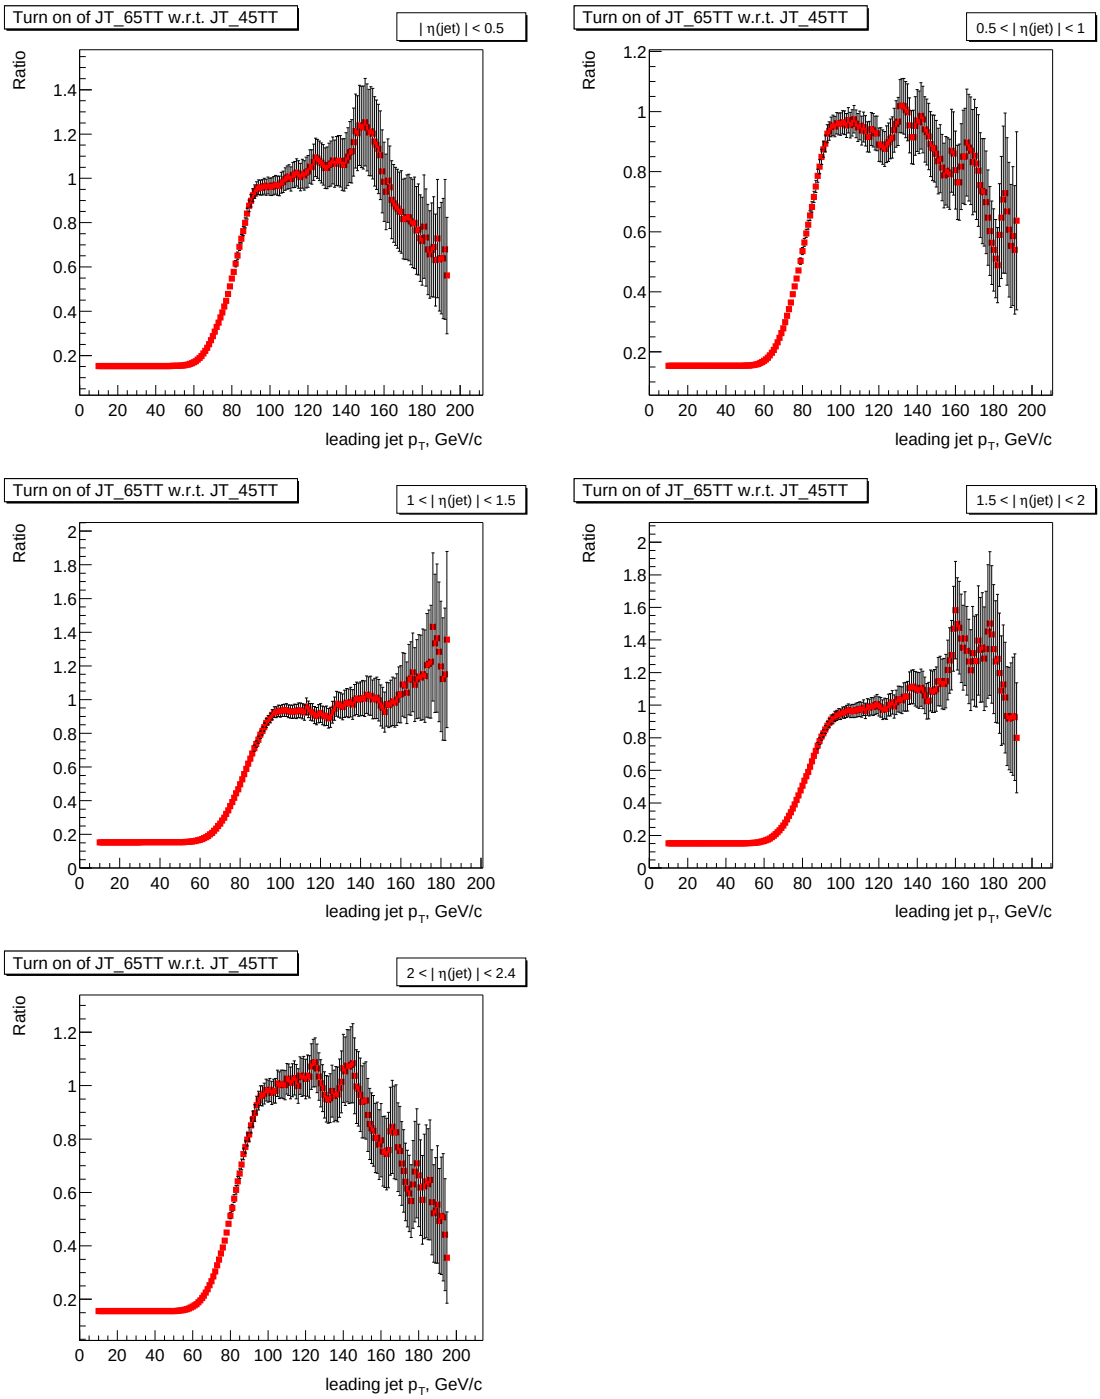

Table 2: Turn-on curves in the different η_{det} bins for JT_65TT trigger with respect to the JT_45TT trigger. For trigger list v8.

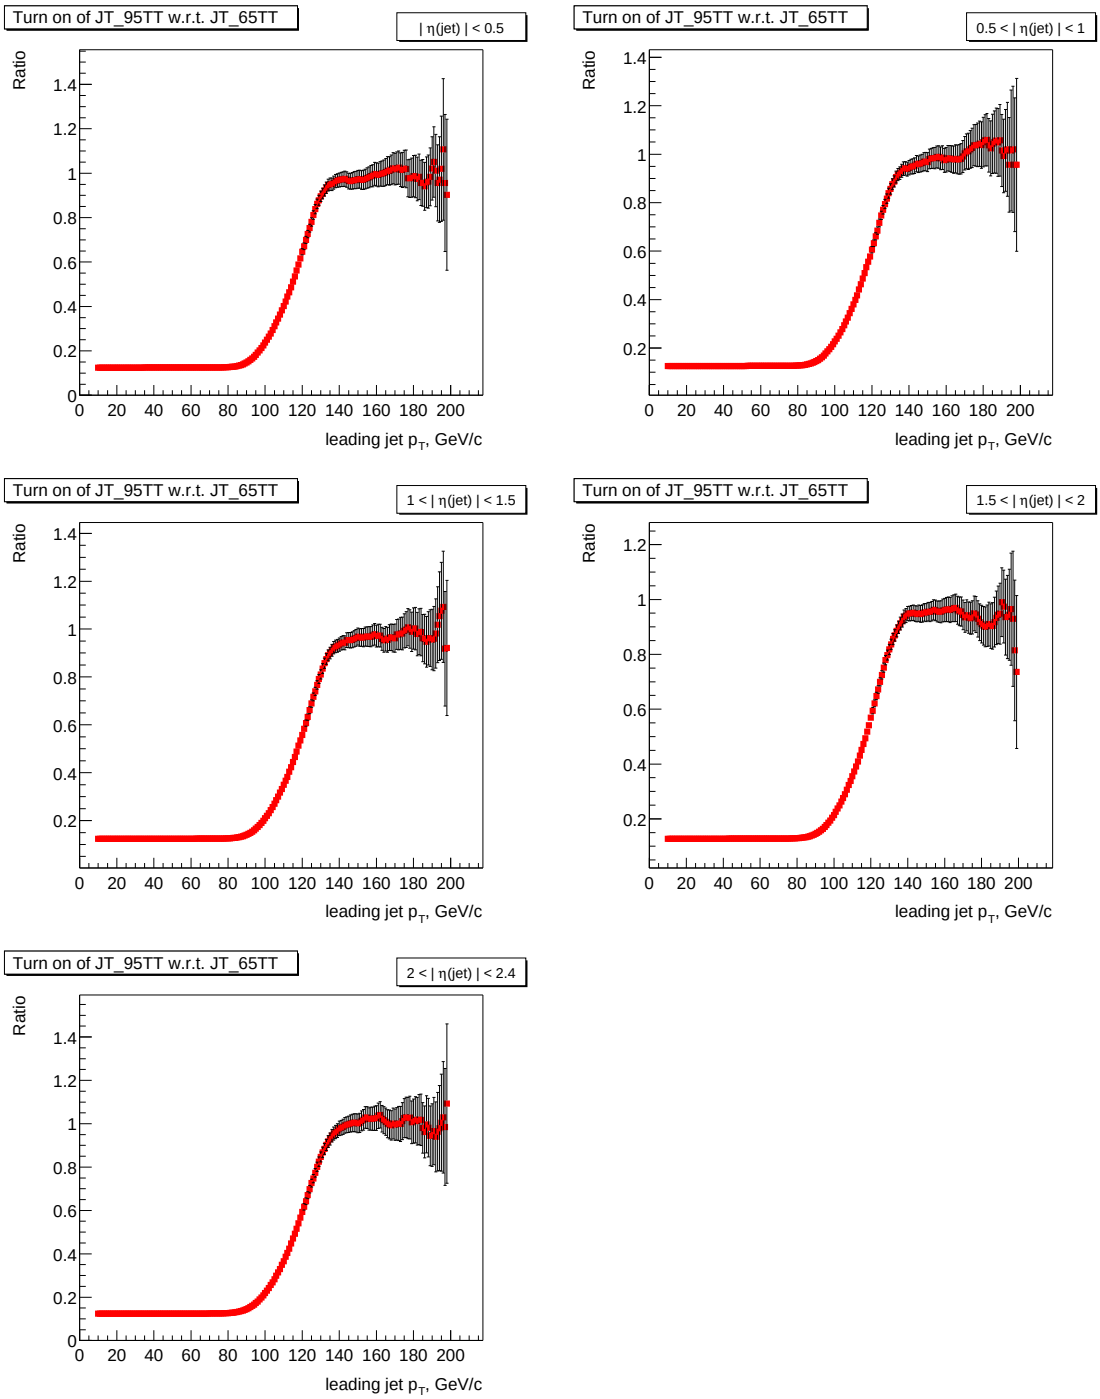

Table 3: Turn-on curves in the different η_{det} bins for JT_95TT trigger with respect to the JT_65TT trigger. For trigger list v8.

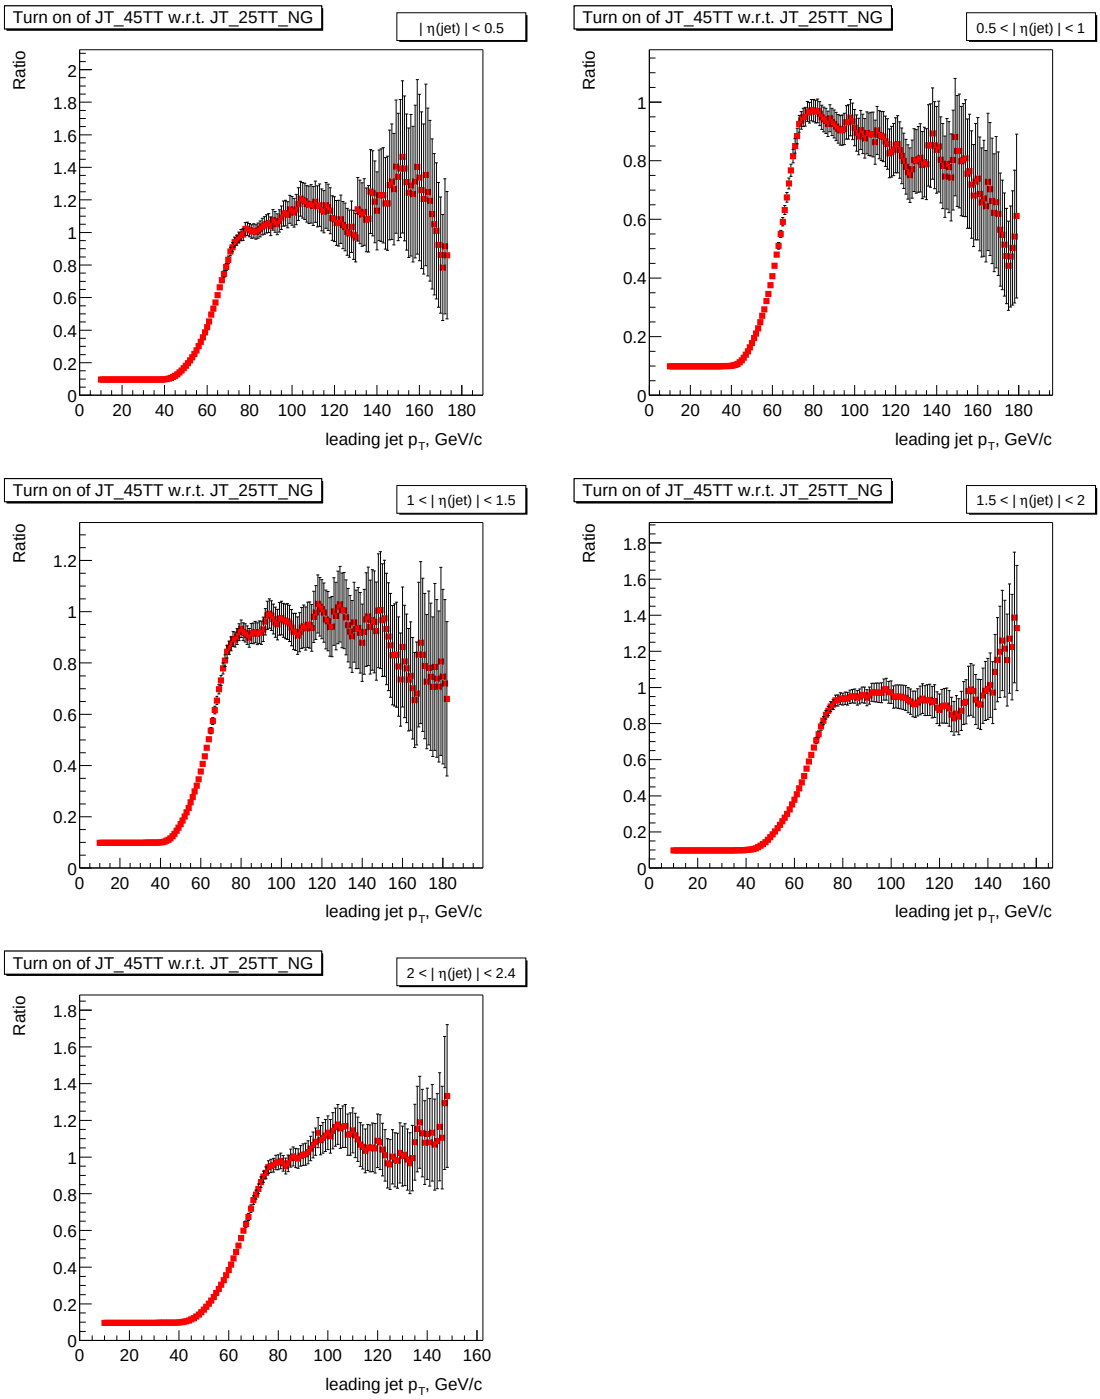

Table 4: Turn-on curves in the different η_{det} bins for JT_45TT trigger with respect to the JT_25TT_NG trigger. For trigger list v9.

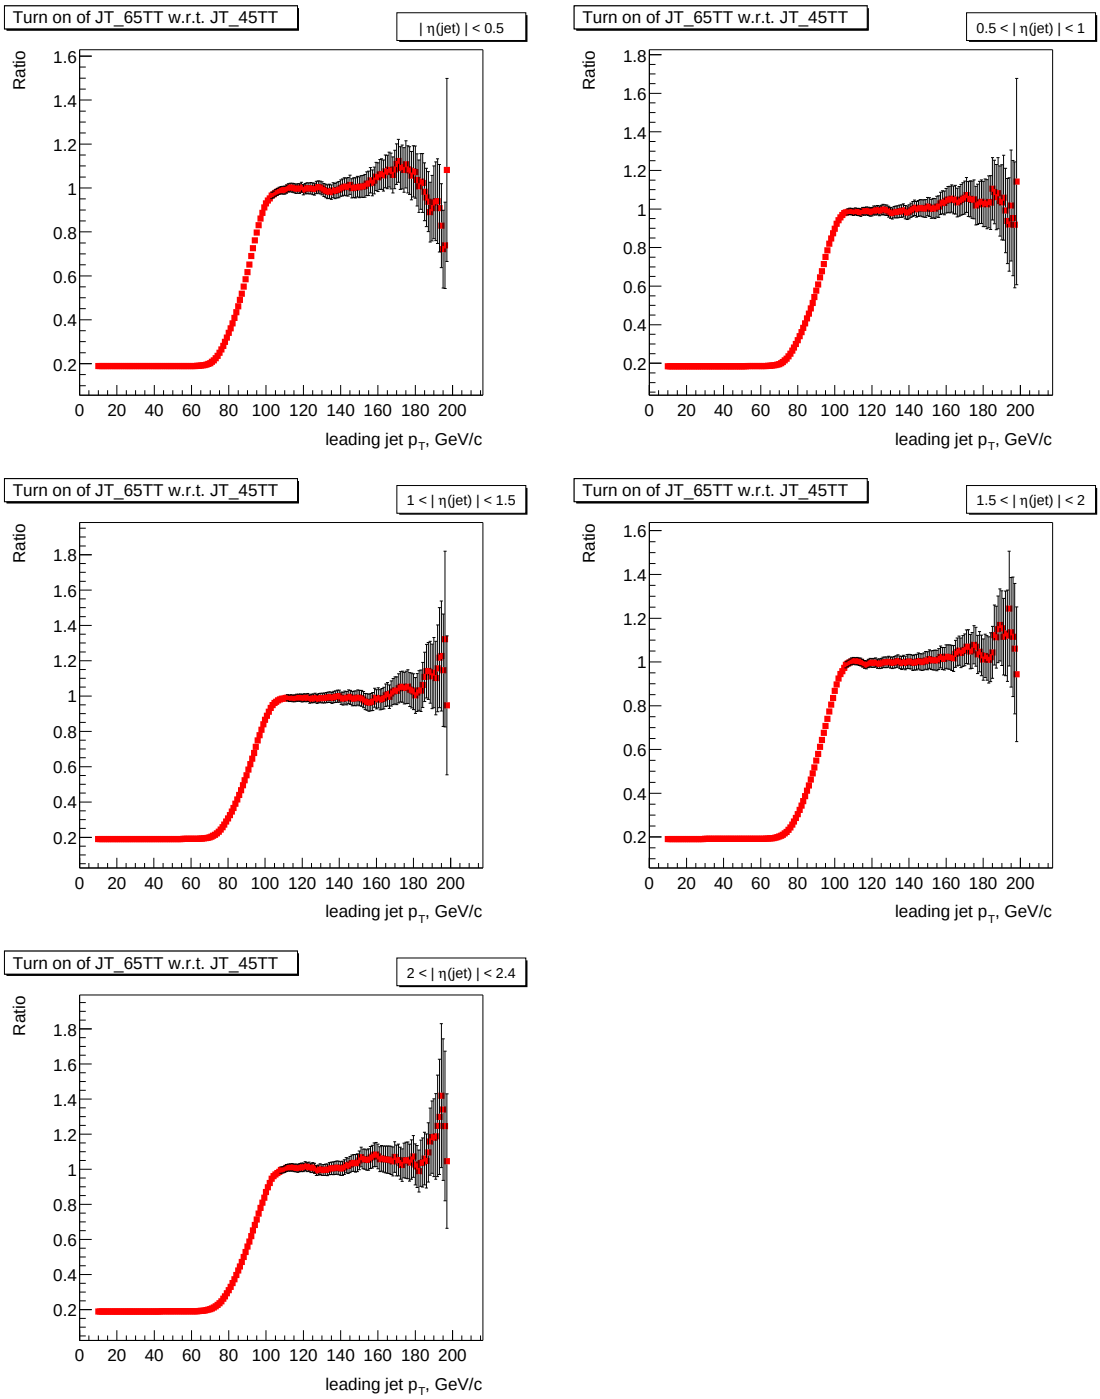

Table 5: Turn-on curves in the different η_{det} bins for JT_65TT trigger with respect to the JT_45TT trigger. For trigger list v9.

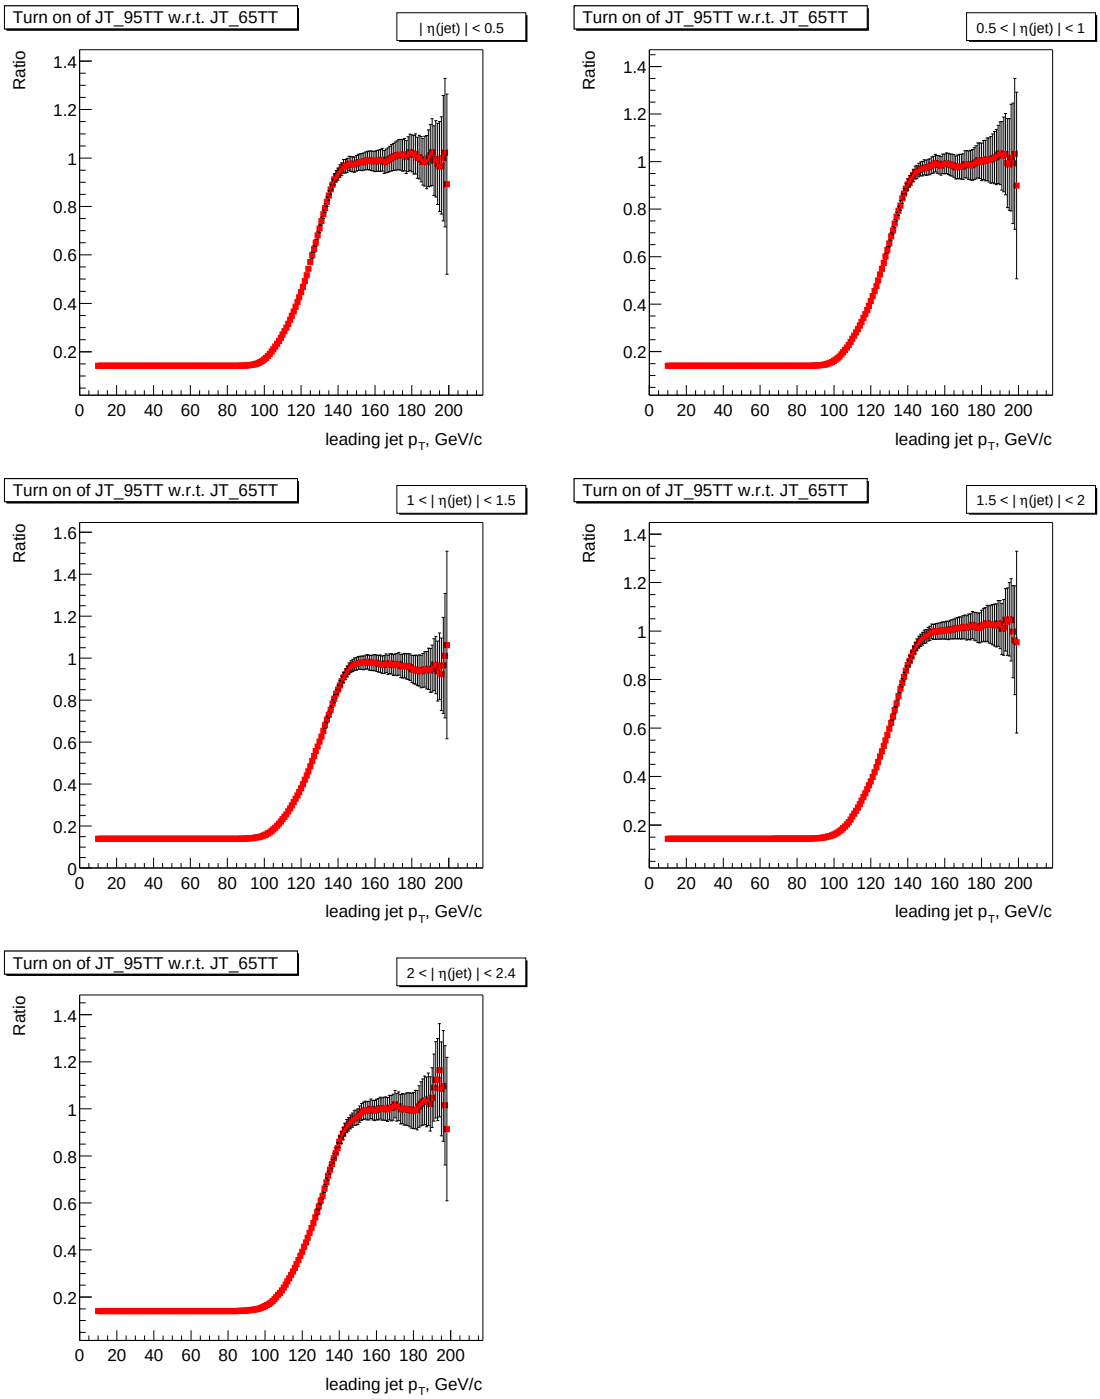

Table 6: Turn-on curves in the different η_{det} bins for JT_95TT trigger with respect to the JT_65TT trigger. For trigger list v9.

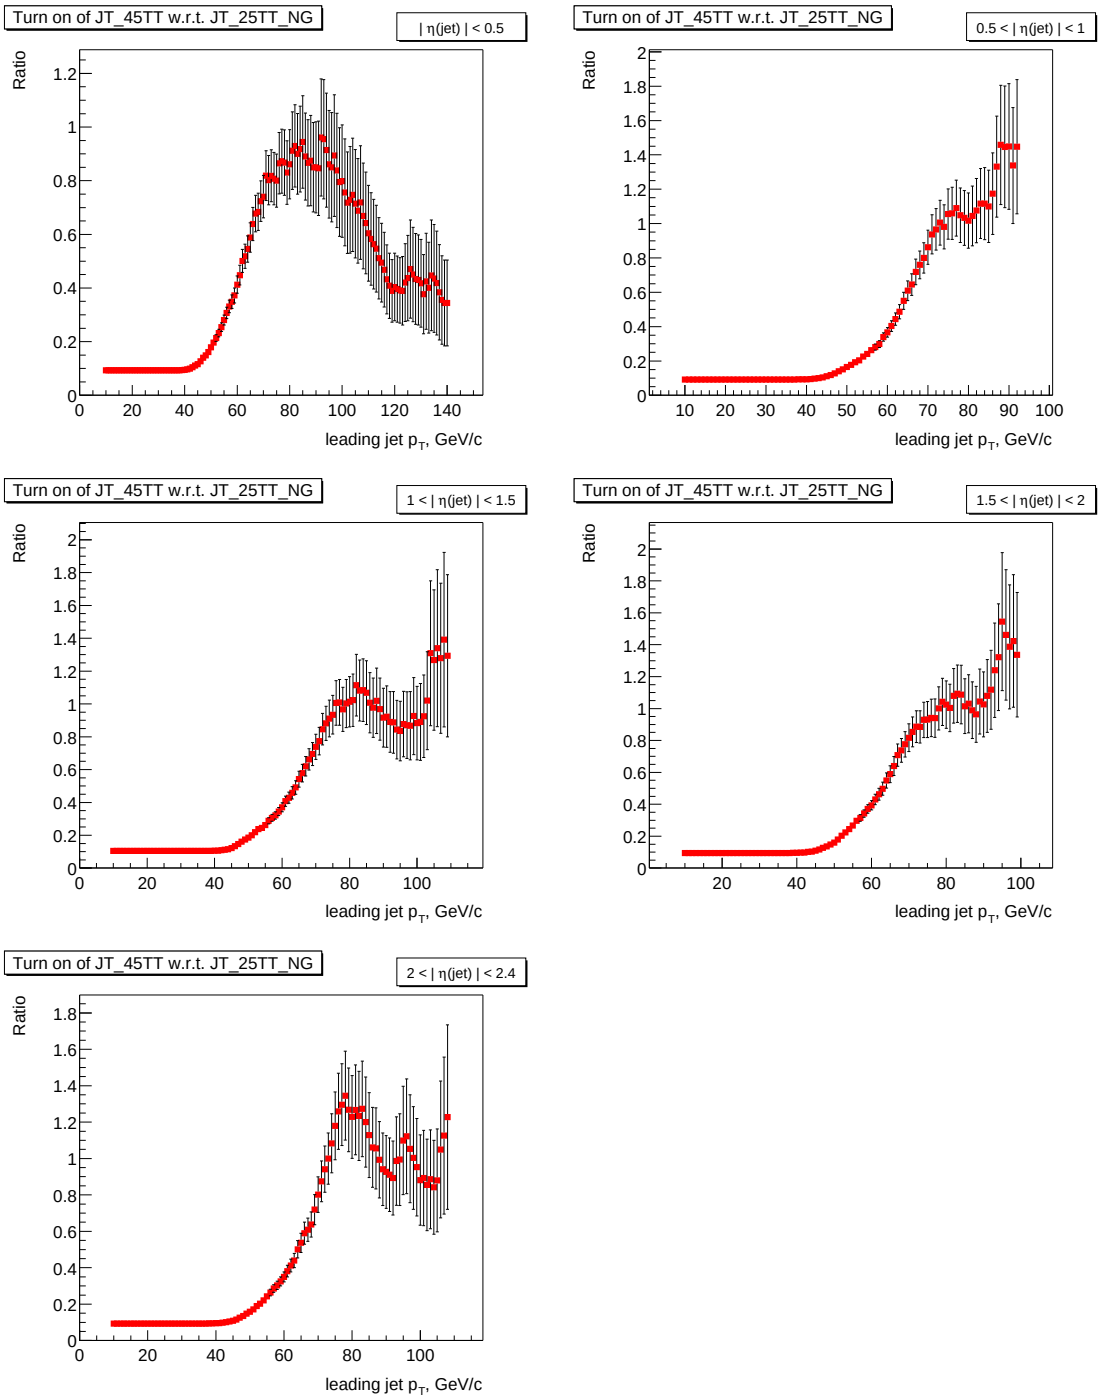

Table 7: Turn-on curves in the different η_{det} bins for JT_45TT trigger with respect to the JT_25TT_NG trigger. For trigger list v10.

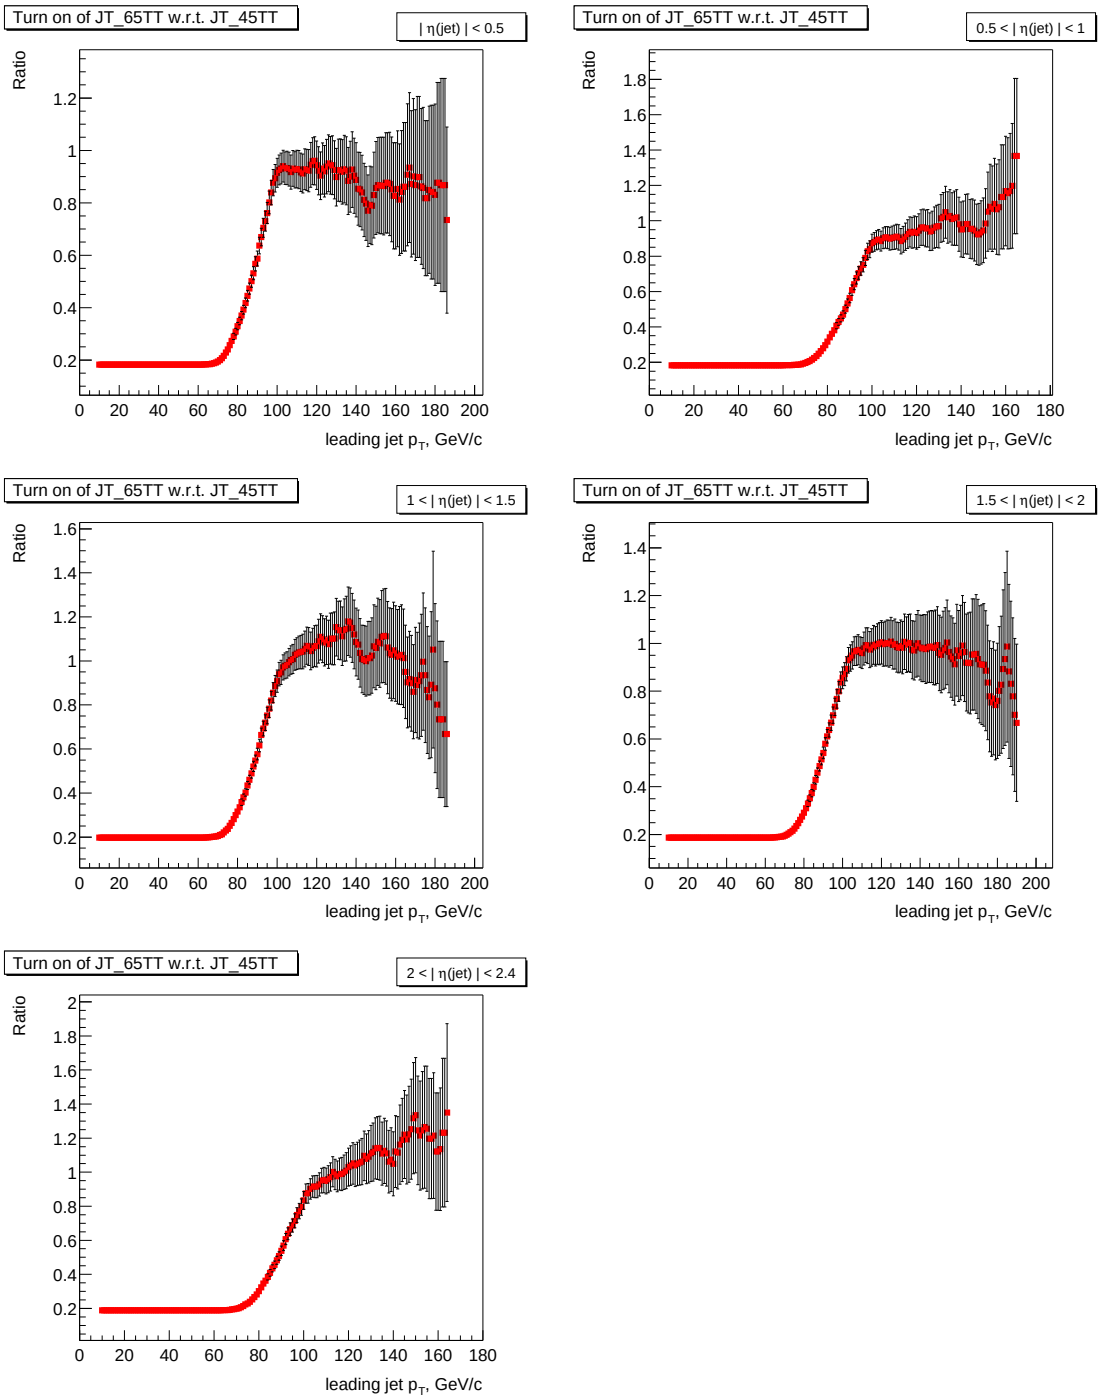

Table 8: Turn-on curves in the different η_{det} bins for JT_65TT trigger with respect to the JT_45TT trigger. For trigger list v10.

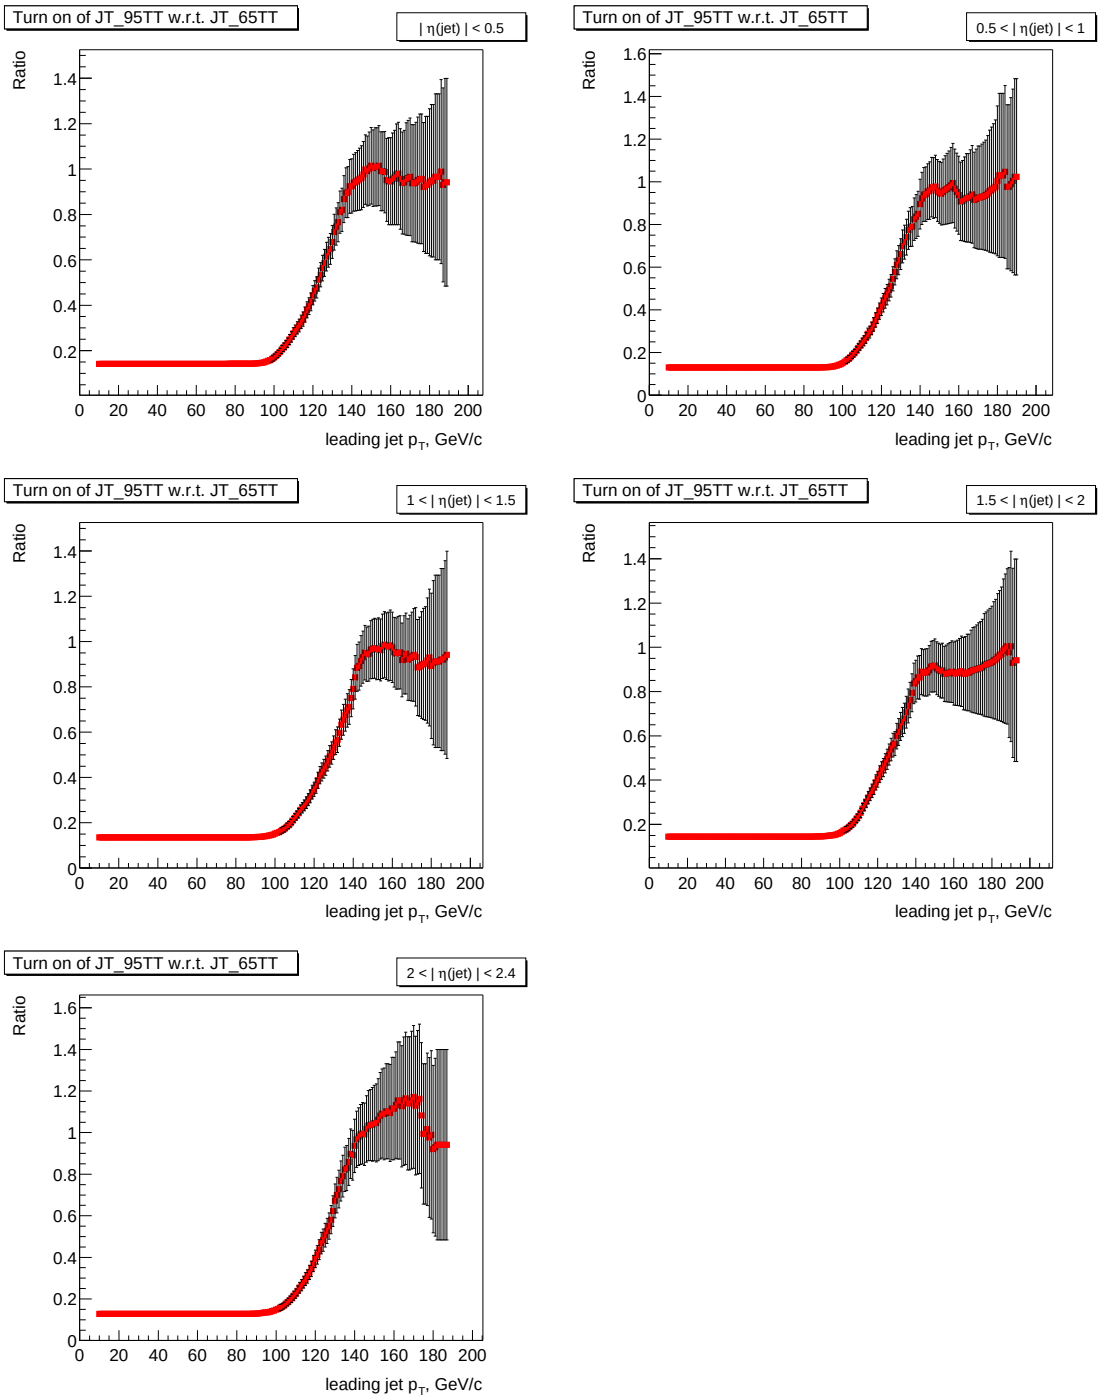

Table 9: Turn-on curves in the different $\eta_{\rm det}$ bins for JT_95TT trigger with respect to the JT_65TT trigger. For trigger list v10.

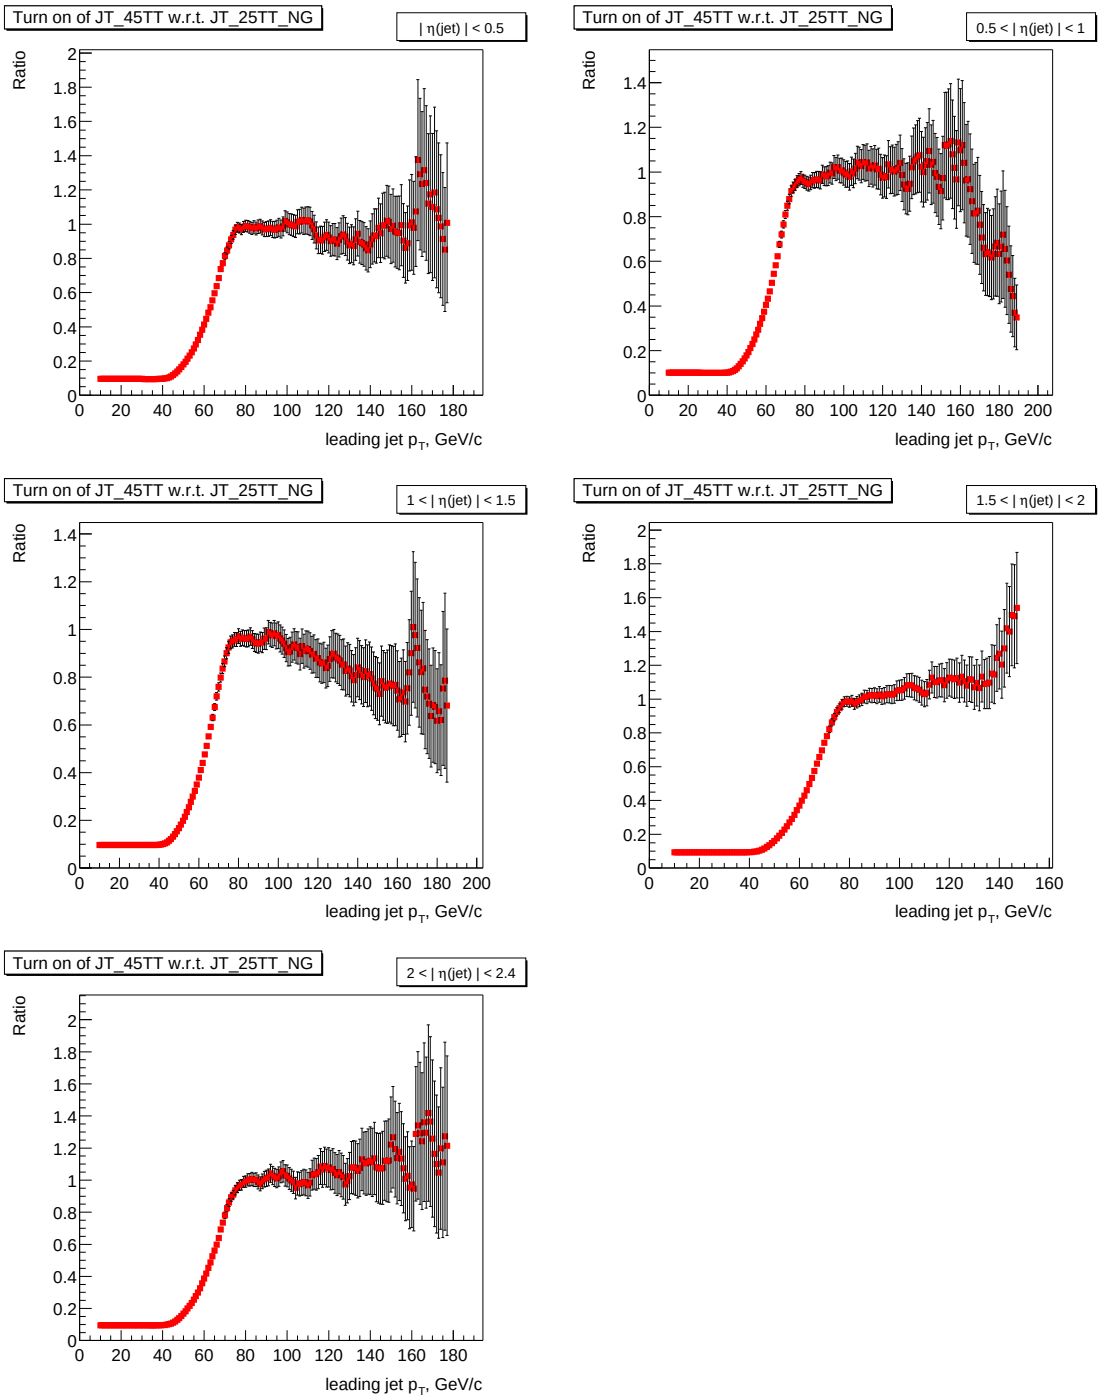

Table 10: Turn-on curves in the different η_{det} bins for JT_45TT trigger with respect to the JT_25TT_NG trigger. For trigger list v11.

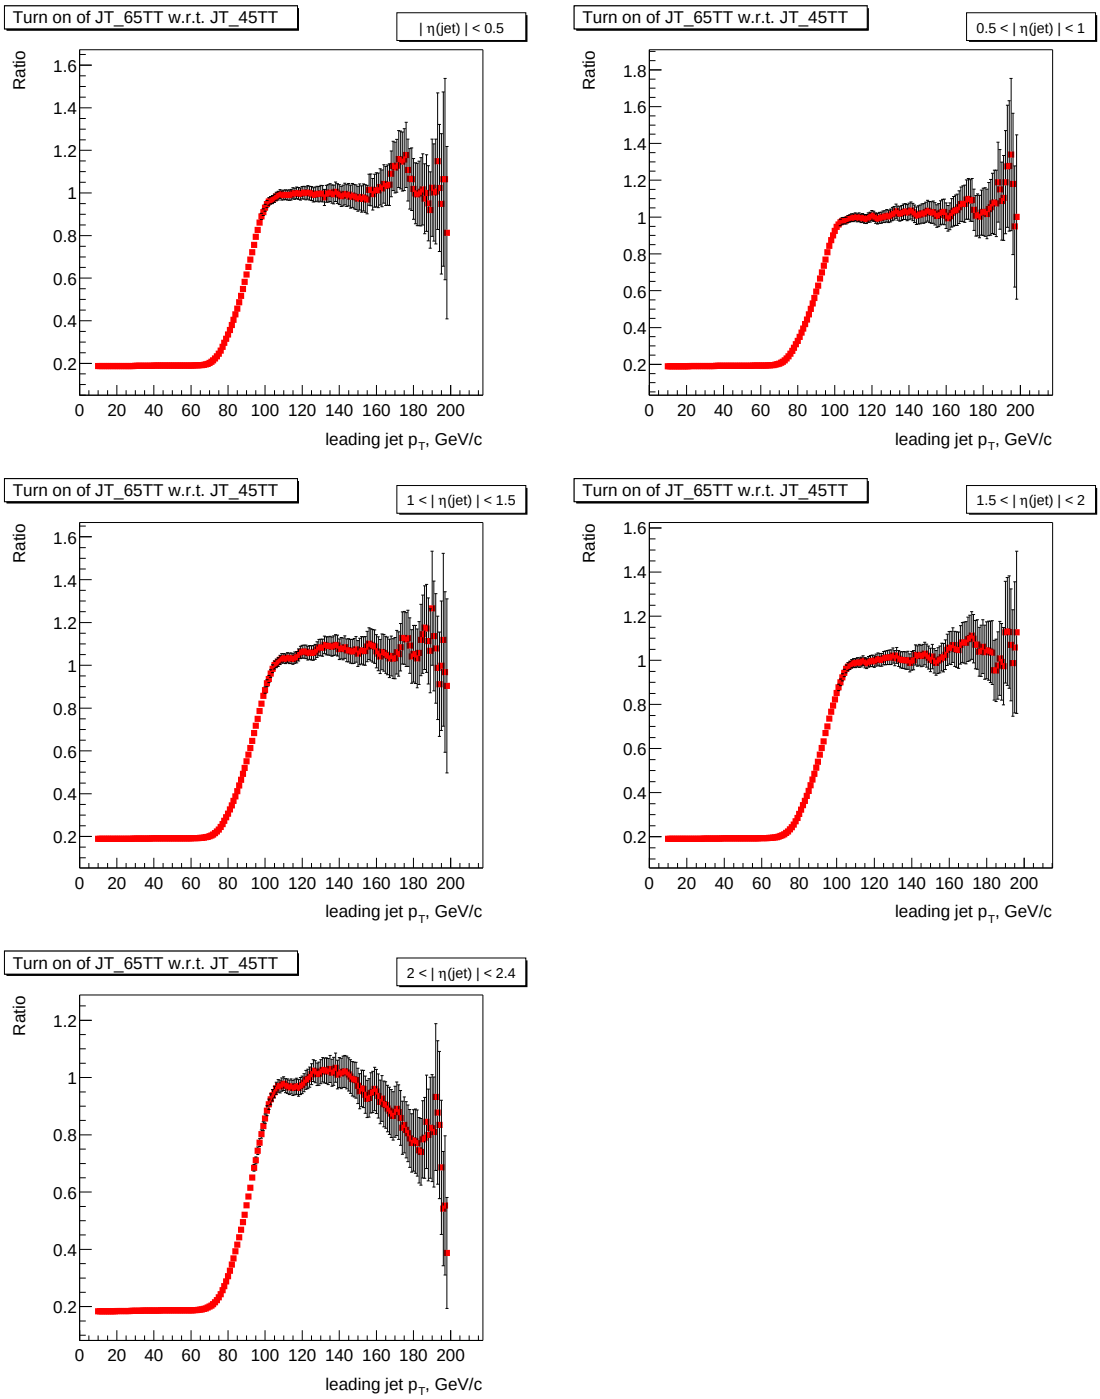

Table 11: Turn-on curves in the different η_{det} bins for JT_65TT trigger with respect to the JT_45TT trigger. For trigger list v11.

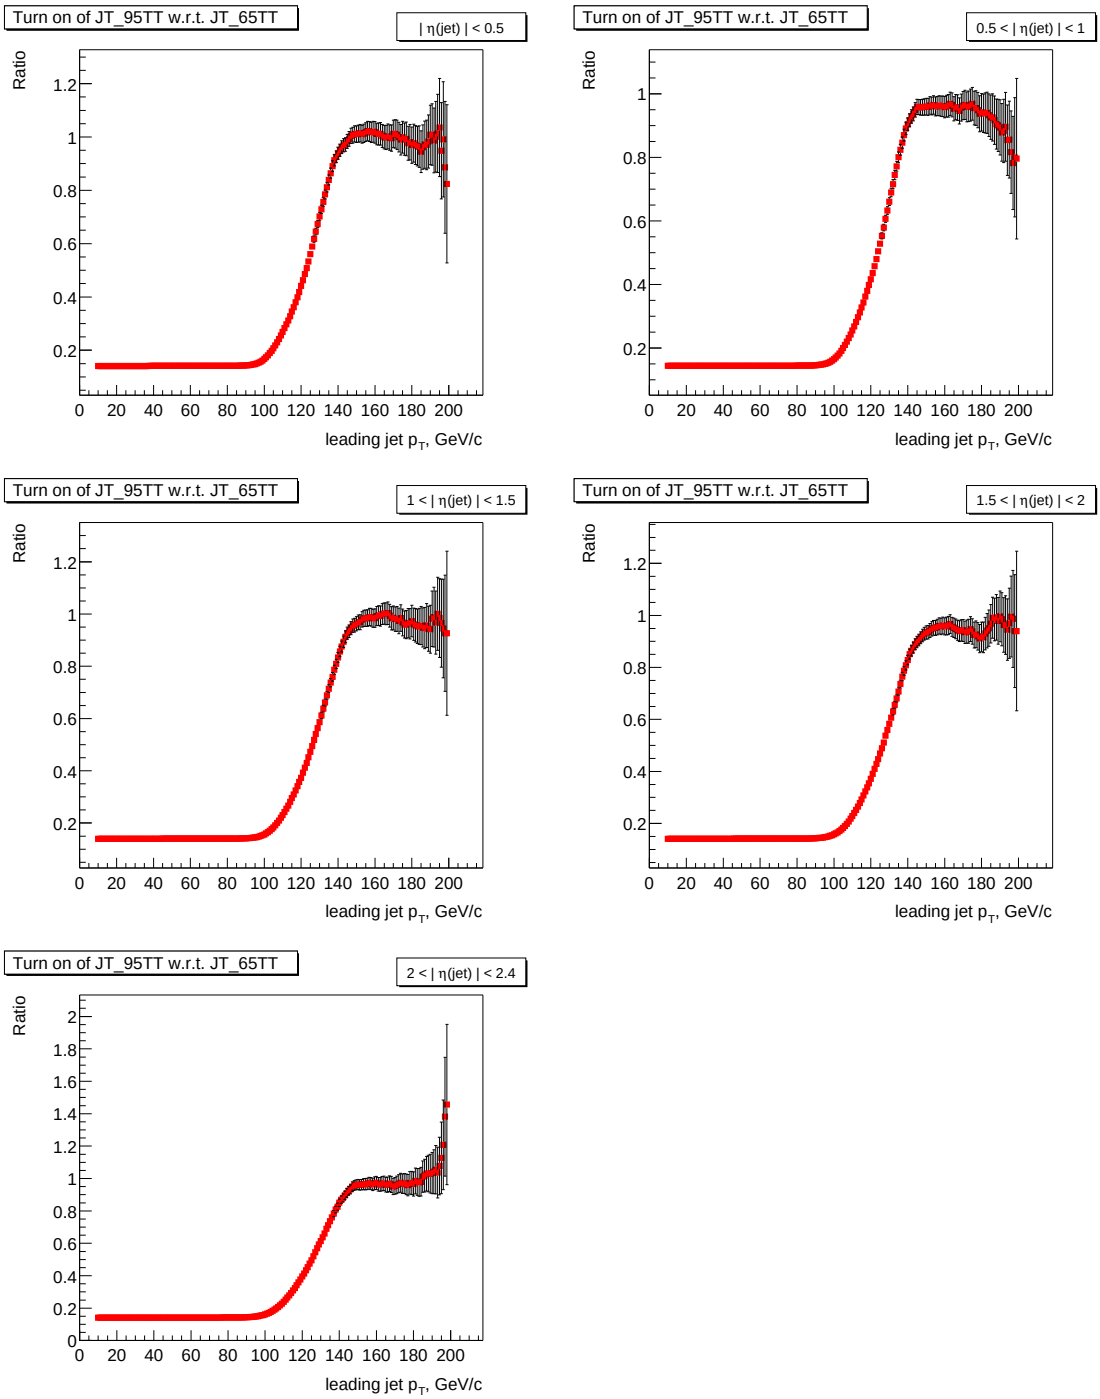

Table 12: Turn-on curves in the different η_{det} bins for JT_95TT trigger with respect to the JT_65TT trigger. For trigger list v11.
