

# MC Request Procedure

*now*

MC-reps:

[http://www-d0.fnal.gov/computing/MonteCarlo/mc\\_generators/](http://www-d0.fnal.gov/computing/MonteCarlo/mc_generators/)

MCRC (Tibor)  
MC-meister(Ashish)

# *MC Request Procedure*

- *Analyzer asks MC-rep of his physics group to submit requests to queues*
  
- *MC-rep responsibilities*
  - *preparing and submitting requests to the system  
(tested & correct! – consultation with generator/simulation group  
new cardfiles into CVS)*
  - *priorities within group after consultation with group conveners*
  - *informing MCRC and asking for approval*
  
- *MCRC responsibilities*
  - *verification, checking mainly the formal correctness of requests*
  - *help the MC-reps*
  - *global priorities determined with physics conveners*
  - *requests approval*
